### FOREWORD...

WE CAME . . .

Striving for perfect attendance, we forced ourselves to come every day. The exemptions were only a part of the many rewards of our daily presence.

WE SAW . . .

We saw our friends as they studied. We observed each other as we enjoyed the various activities. Our expectations were being fulfilled.

WE'LL NEVER FORGET . . .

We may have disliked our classes, but undoubtedly they were necessary. We shall always treasure our many experiences at H.H.S.

## .... DEDICATION

### DEDICATION

Words cannot adequately express our appreciation and gratefulness to you for your many years of service to our school. You have always been ready to give a helping hand to the students, being there for assistance when needed.

Through the years, we have come to admire and respect you for your unfailing effort as a teacher, for your influence upon your pupils, and your determination to further the students' education. We are thankful that you have had a part in our lives--a part that we can never forget!

Because of our appreciation and gratitude to you, we the Annual Staff of Henryetta High School, wish to dedicate the 1967-68 edition of the HENRYETTAN to you . . . .

Mrs. Aretta Huddart

## ADMINISTRATION

## SUPERINTENDENT

As superintendent of the school system, Dr. Cox is one of the most looked upon citizens of Henryetta.

We are very grateful to him for giving his every abiding time to those who are in need and the school body as a whole.

We salute Dr. Cox and will leave by saying WE CAME, WE SAW, AND WE WILL NEVER FORGET.

DR. RAYMOND COX

## SUPERINTENDENT OF SCHOOLS

MR. FORREST CARTER

## SENIOR HIGH PRINCIPAL

Principal

One of the most dedicated men in our school who has given willing of his services for three years is our principal, Mr. Carter. He has helped us in more ways than one can say. When we needed help, there he was giving up his time to listen to our problems, help us in our studies, and boost our morale higher than it has ever been before. Maybe someday we can repay him for all of the help he has given us.

## JUNIOR HIGH PRINCIPAL

Mr. Lackey

Teacher, helper, friend. . . All these words could be used in describing Mr. Noel Lackey, principal of the Junior High School. Mr. Lackey has served as principal for the past 6 years and he has done his job well. He is one of the many people that we will never forget.

MR. NOEL R. LACKEY

## AWARE OF THE PAST . . . DEDICATED TO THE FUTURE

### SCHOOL BOARD

The board of education is a corporate body of five members elected by the school district electors. It is a policy forming body and acts in an inspectional or judicial capacity. It formulates the general course of procedure that is carried out by the Superintendent of schools.

The school board members take time from their various occupations to work for the betterment of education.

# IN MEMORY

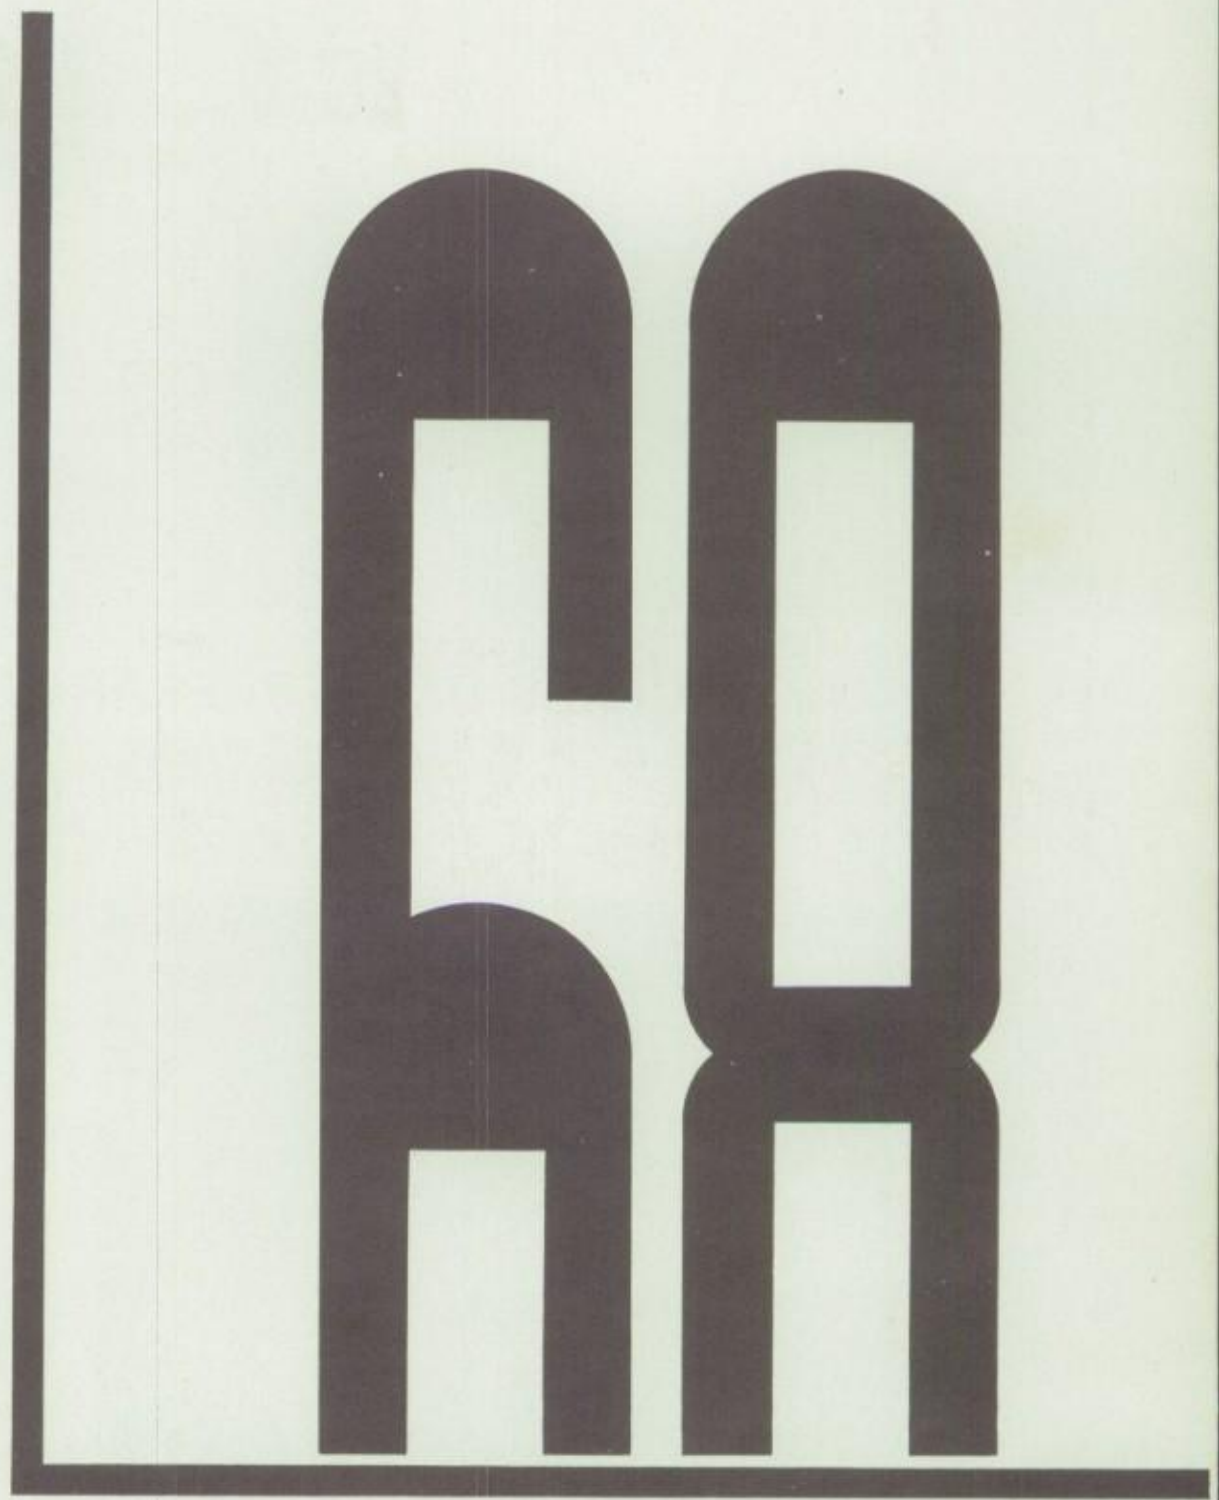

FRANK FORREST - A dedicated English and Physics teacher, Mr. Forrest had gained the admiration and respect of his students and fellow teachers in the brief time at Henryetta High School. A graduate of West Point, he was a hard working man and an understanding individual. Out of class, he was a friendly man; one liked by all. His passing in December was a great shock to us. Frank Forrest's presence will be greatly missed.

MIKE HAMILTON - A member of the Junior class, Mike was a well liked student. He had a great sense of humor and was admired by his teachers and many other friends.

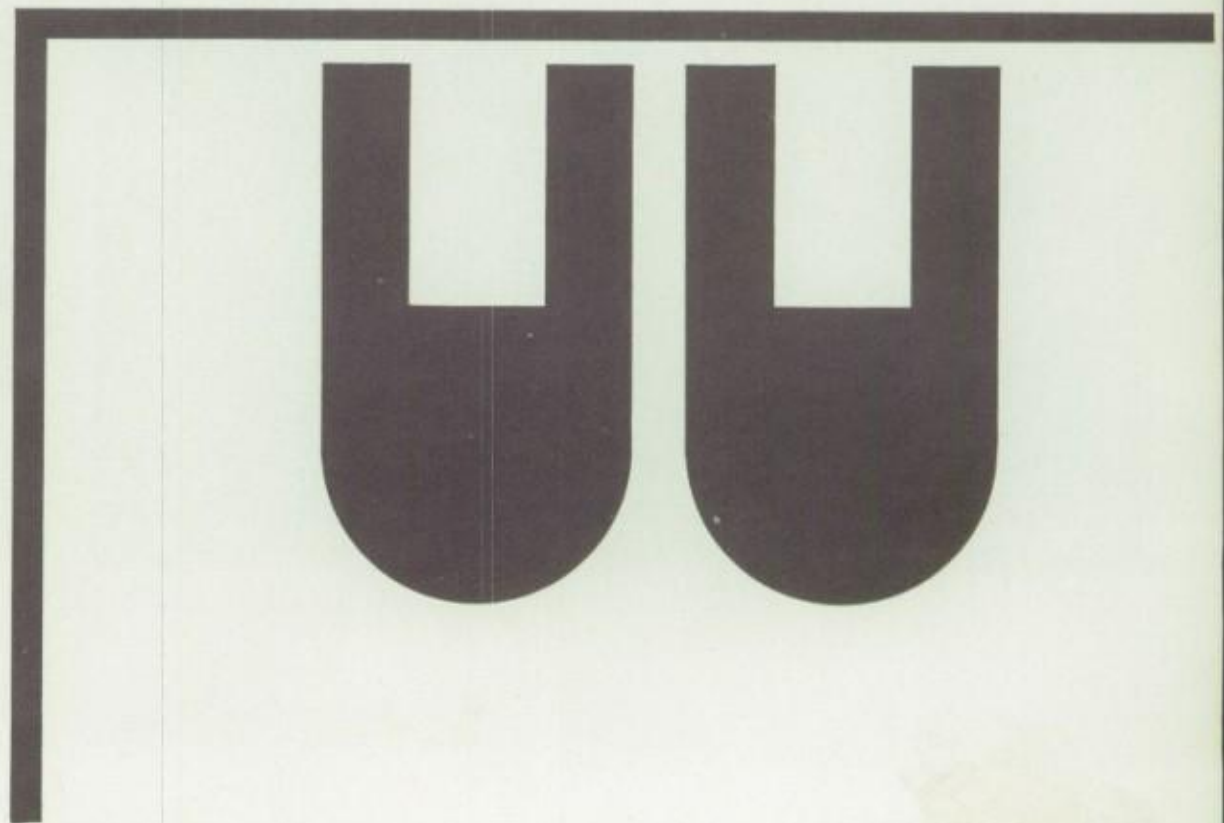

Mike's early death was due to a car wreck injury. His departure was a deep loss to Henryetta High School students, faculty, and indeed to our community. We will all miss him very much.

Seniors look forward to a very exciting year at H. H. S. They eagerly await the many Senior activities. Although this is their last year in high school, they can't be sad because a life full of dreams awaits them. Each Senior has his own aims and purposes and a chance to succeed.

#### The Road Goodbye

The road I took was named Goodbye  
The path looked strange. I wondered why  
It left familiar things behind  
A hand caught mine... I paid no mind.

The stranger never once did say  
Just what brought him on my way  
On we went, and some afraid  
I wished I hadn't come, but stayed.

All the friends that I once knew  
Took a road named Goodbye too  
There were no two roads just the same  
Though all were called Goodbye by name.

The road went on; we went too,  
And I was sad, for then I knew  
That never could I be the same  
Having walked down Goodbye Lane.

And though I couldn't understand  
We walked together hand in hand.  
We said no words, but just walked on,  
I thought of things now past and gone.

I thought of games I'd lost and won  
I thought of all the things I'd done  
I thought of those I loved and cared,  
Of times we've had, of things we'd shared.

I thought of those I'd come to know.  
Just knowing them--they'd helped me so.  
I thought of things, of tears I'd shed...  
Those same things now brought smiles instead.

We walked along--I wondered where  
The future led and what was there.  
The past still echoed from behind  
I was its, and it was mine.

But in my heart was still a fear,  
And in my eye a shining tear;  
Yet on my face there was a smile,  
And we walked forward for a while.

I walked along the road Goodbye.  
I looked back once... I heaved a sigh.  
Then I remembered at my side--  
My silent, but my constant guide.

The stranger's hand I felt in mine.  
I looked into his face this time.  
I asked his name--he turned just so,  
He smiled and said, "I'm called Hello."

The tasks I'd done, those left to do,  
I wondered how I'd make it through  
When something inside seems to say,  
"The best you can from day to day."

The way was rough; I knew the score,  
It never ends... there's always more.  
But now I know that all in all  
Each thing in its own place will fall.

I thought of all the happy days,  
The sad ones now just seemed a haze,  
And in a flash I came to see  
How much the past had meant to me.
